Paddock

Paddock will be open from Thursday 14:00. The Paddock official and he's crew will guide you to your spot.

There is only space for one vehicle and paddock tent for each team.

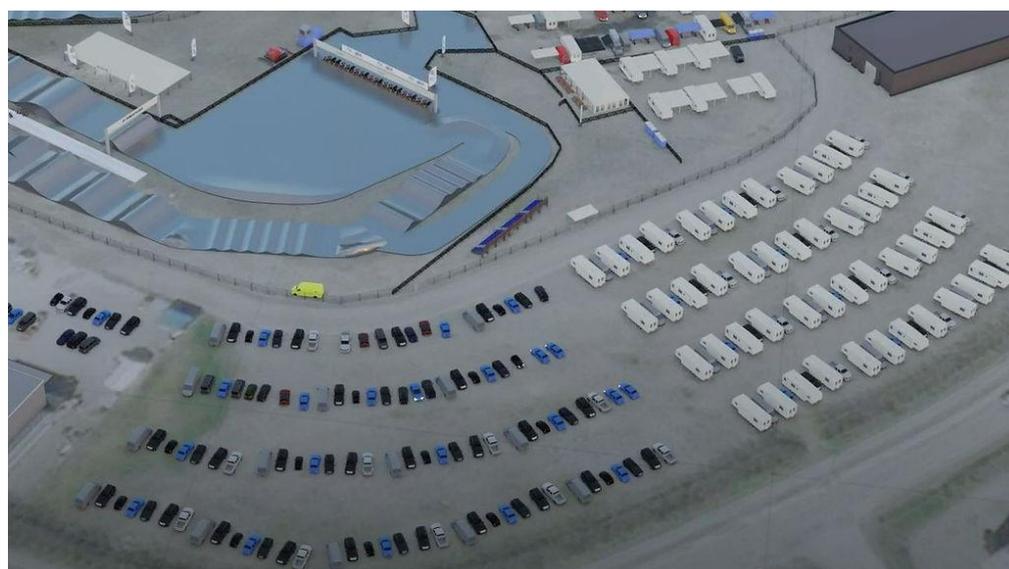

Additional vehicles will have to park at the parking B area according to the situation plan.

There will be 230V electricity for the teams in the Paddock. You need to bring your own extension cable and socket. You also need a minimum of 6 kg fire extinguisher. The fire extinguisher will have to be visible at your paddock space during the whole stay.

All competitors that aren't competing Sunday, needs to exit the paddock area after the WC/EC races are over. We appreciate that this is prioritized. This is to make room for the Sunday race competitors. You will be able to park your vehicle in the arena area until Sunday if you wish. Such arrangement can be done with the paddock official.

Camp for trailers

If additional caravan or camping van space, with electricity is needed, it can be booked at the [spectators camp](#) or bought during check in.
